Viva Vegeria: San Antonio's First Vegan, Gluten-Free Tex-Mex From Scratch

Serving and Preserving Latino Culture with Artistic Plant-Based Cuisine to Change the World

Por Isa Fernández

Vegan food by nature is colorful and creative. So, Viva Vegeria, San Antonio's first vegan, gluten-free Tex-Mex restaurant, (which has for nearly ten years, been serving and preserving Latino food and culture with "artistic" plant-based cuisine), is no different. The colorful vegan restaurant was the dream of original founder and culinary chef Fred Garza-Guzman who tells me he was "kicked out of culinary school my last year because I refused to eat meat." As a vegetarian (near-vegan) myself for most of my life, I consider that a badge of honor and a testament to the altruistic reason Garza-Guzman had become a passionate vegan: "I could see that people in the world were starving, the rainforest was being stolen (to raise) farm cattle. I wanted to do

something to help mother nature. Even if it was small, I believed and believe it will make a difference," he told me. Indeed, countless scientific studies back up the fact that a plant-based diet helps to dramatically promote environmental conservation efforts and improve human health (as well as saving innumerable animal lives) more than any other decision we can make as consumers. Garza-Guzman's decision to become vegan was also important to his late grandmother Rosalie Garza, whom he says "found ways to cook me vegan food. At over 80 years old, she began experimenting with vegan cooking. She was a sweetheart!" Together, they shared a dream to "create a place where everyone could eat and come together despite dietary needs." Sadly, the restaurant opened August of 2011, just a month after Rosalie passed away.

Originally located at 8407 Broadway, the restaurant received immediate good press concerning the nutritious gap it filled for vegans and the health minded. It was also noted for its colorful contribution to Latino culture by promoting the work of local artists whose work was displayed on walls and sold. When I visited, there were portraits of Ray Charles, a myriad of religious icons and iconography, Frida Kahlo, comic book he-

roes and Dia de los Muertos themed paintings displayed. They were also applauded for the positive impact on the community by offering healthy vegan meal preparation classes to the public.

In 2016, the restaurant relocated to 1422 Nogalitos, where there was more parking, an accessible entrance, a spacious interior, a large garden room that doubles as a meeting space and a tropical, pet-friendly outdoor patio area. That same year, Garza-Guzman sold the Viva Vegeria to restauranteur Bennie Gonzalez, a Piedras Negras, Mexico native who moved with his family to the US in 1971. Now owner of Viva Vegeria for nearly five years, Gonzalez too is passionate about a plant-based diet, saying it has improved his health and is helping him avoid the hereditary health problems that cut his father's life short so he "can be around for his grandchildren."

He and his staff, chef Gabriela Estrada and restaurant manager Karime Flores, whom he calls "the heart and soul of the restaurant," were exceptionally kind to me, sharing an assortment of their most popular fare for review – Tacos al Carbon with meat replacement, onions, green peppers; Chilaquiles with red and verde salsa; Charro beans and Mexican rice (exceptional with onions, green peppers and carrots); Vegan Mole Enchiladas made with peanut sauce; Mushroom Chicharrón Tacos filled

"Vegan Food" restaurant. They also received five stars from HappyCow, a national company reviewing vegan restaurants in order to "provide a guide to healthy vegetarian food, natural food stores, vegan-friendly options nearby, recipes, and travel." With reason to be confident and Wi-Fi available, customers are asked to "support us with your reviews and photos" online. A "Shop Small - support small business" decal is on the entrance door, along with the various delivery methods available. BYOB customers are welcome, too. Viva Vegeria is closed on Tuesdays and Wednesdays so that Gonzalez can spend time with family who reside in Houston. Business Hours: Monday 11am-5pm, Thurs – 11am-5pm, Friday-Sat, 11am-8:30pm and Sunday 11am-5pm. <http://www.myvegeria.com>

Museo del Westside Planning Update

Sarah Zenaida Gould, PhD
The building design planning phase of the Museo del Westside project is wrapping up! This spring and summer there were a series of meetings to gather feedback on the plan to transform the Westside historic landmark Ruben's Ice House into a permanent home for our very own community participatory museum.

To date, this process has included ten design team meetings, five Museo Advisory Committee meetings, and three community meetings. In January, the design team, including architect Dwayne Bohuslav and designer Arturo Vilchis, both of whom were involved in earlier rehab projects at the Rinconcito de Esperanza, and David Grabitske, a museum consultant with many years of experience with projects like ours, began meeting with our staff to develop a preliminary understanding of the project and begin developing ideas for input from the community.

In early March, Ruben's Ice House family members were asked for their blessing on the conversion of the building into a community museum. They not only liked the idea, but also offered to serve on the Museo Advisory Committee.

The Museo Advisory Committee consists of seventeen current and former Westside residents with a strong commitment to seeing the Museo become a reality. Later in March, the Advisory Committee held its first meeting where it developed a working mission statement, and has since developed a working vision statement and is now drafting a strategic plan.

Mission Statement (adopted March 2019)

The Museo del Westside is dedicated to preserving and

presenting the unique history, heritage, culture, pride, work ethic, and diverse experiences of la gente del Westside, to increase understanding and appreciation by building and strengthening knowledge of the Westside in order to create a more vibrant future for our community.

Vision Statement (adopted July 2019)

Recognizing the transformative power of telling our stories, we envision a community that honors the rich histories and cultures of the Westside, including its Mexican American corazón. By inviting community participation, embracing community knowledge, and being good stewards of community-sourced collections, we create bridges between people by exchanging ideas and educating and empowering each other to promote human dignity and sustain our community.

A common question came up at the community meetings was what about landscaping? The team is working on a plan to identify and fund a landscape architect who can work with our community on an outdoor environment we can all enjoy. Please stay tuned for announcements about future community meetings. This is a long-term project that requires the community's support from start to finish!

Help make the Museo del Westside a reality! Make a donation to the Museo project or become a monthly Museo donor! Call 210-228-0201 for more information.

By Melinda Gonzales

In a world where the only thing that is constant is change, Rudy's Feed Store on Nogalitos has stood the test of time and remains relevant within the delicate ecosystem of its community and neighborhood.

Last month the store was inducted into the San Antonio Legacy Business Program. The program pays tribute to legendary businesses located in the city in order to acknowledge the contributions businesses have made to the city's culture and economy. These legacy businesses qualify for fee waivers and are eligible to participate in a pilot grant program.

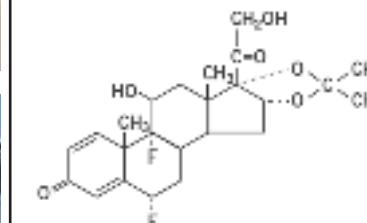

With a focus on animal needs and maintenance, Rudy's Feed Store offers knowledgeable advice, premium brand livestock feed, pet foods, animal health products, pet supplies, and lawn care goods.

In addition, their low-cost vaccination clinic on Saturdays serves as a valuable service to pet owners throughout San Antonio. The clinic is available from 8:30 – 1:30 PM and usually brings in about 250 customers.

Felices Cumpleaños

Colorida celebración familiar con el popular tema "Coco Team"

Por José I. Franco

Todo un acontecimiento social fue el evento especial, de los felices cumpleaños, el pequeño Noah Silva (5 años), su joven mamá Fátima Silva y su abuelo Víctor Silva. Por tan especial fiesta familiar, los tres recibieron felicitaciones de la feliz abuela Nora Silva, quien se esmeró preparando de cena un delicioso y tradicional "mole poblano".

Con anticipación Fátima, y sus padres (Nora y Víctor Silva -propietarios de "Tacos al Minuto"), estuvieron trabajando en la decoración, que llevó el tema de la atractiva película "Coco Team", producida en 2017 por Walt Disney Pictures.

Los invitados y familiares, disfrutaron de golosinas y panecillos estilo mexicano, lo cual

le dio el toque mágico al festejo. Noah y sus invitados, por horas se divirtieron en el castillo "Brinca Brinca", así como de la quiebra de alusiva piñata, con la imagen del personaje principal "Miguel y su guitarra".

Noah, fue el primero en tunear a palazos la colorida piñata, y posteriormente cada uno de los pequeños hizo lo mismo en dos turnos. En los momentos

de que la piñata sucumbió tras la paliza, Noah, se lanzó al piso para apoderarse de una buena cantidad de dulces.

Seguidamente Fátima, a cada uno de sus invitados les obsequió una bolsita llena de golosinas.

La fiesta continuó con la partida del colorido pastel que fue decorado velita en forma

del número cinco (estilo luces de Bengal). Noah con varios soplos inútilmente pudo apagarla, hasta que se consumió. Llegando el momento de que Noah, diera la esperada mordida al pastel, siendo su abuelo Víctor, quien lo empujara y su carita quedara llena del glaseado. Noha, lo disfrutó sonriente, mientras escuchaba la tradicional canción "Happy Birthday to You". Víctor Silva, (el próximo 27 de noviembre, cumplirá los 51 años, más sin embargo decidió, festejarse con anticipación).

Early Chicano Murals of San Antonio

CASSIANO - DEDICATION
Photos Courtesy of Ricardo Romo

By Dr. Ricardo Romo

The first Chicano murals originated in 1965 on the walls of Cesar Chavez' United Farm Workers [UFW] union headquarters in Delano, California. A decade later, supporters of Chavez' UFW union marched from the Texas Rio Grande Valley to Austin with stops in San Antonio. San Antonio artists took notice of the UFW's use of colorful banners with artwork depicting farm worker issues in addition to the marchers' incorporation of cultural images such as the Virgin Guadalupe to unite supporters.

Chicano murals first appeared in San Antonio in 1974 when Jesse Trevino completed his monumental mural "La Historia Chicana" at the Student Union Building of Our Lady of the Lake University [OLLC]. Trevino, an art history major at OLLC, studied previously at San Antonio College where he had been influenced by art professor Mel Casas. Located in San Antonio's Westside, OLLC was in close proximity to the Cassiano Homes near the street intersection of Laredo and Zarzamora.

By the mid 1970s several Chicano leaders in the art community including art professor Mel Casas and Cesar Martinez, a graduate of Texas A&M Kingsville,

were active

in promoting the works of San Antonio artists who identified as Mexican American or Chicano. Jesse Trevino knew these artists and had painted a large mural depicting his personal story in his home. His mural, "Mi Vida" gave him the confidence to undertake the OLLC mural which measured 100x57 inches.

The San Antonio mural movement began when Anastacio Torres and Juan Hernandez, both Westsiders and graduates of Lanier High School, approached owners of a retail food store near 24th street and Castroville Road about the possibility of painting the back wall of the store. The property owners agreed on the assumption that the painted wall would beautify the outdoor space.

Torres and Hernandez completed their mural near the Veramendi Public Housing community. The artists painted the wall without ladders and scaffolding standing on their car hoods and on top of their cars to attain the required height of the mural. With a public mural under their belt, they applied for city arts funding and with the small grant formed the Community Arts Organization at the Cassiano Homes. Next, they canvassed the neighborhood asking residents about preferences of

artistic subjects, themes, and concepts.

By 1980 the public arts project at Cassiano Homes was well underway. The city arts funding allowed Torres and Hernandez to hire young artists to work on their mural crews, many of whom had little experience in public art. One of the rationales for creating public art concerned the prevalence of graffiti which bothered the majority of

Cassiano Homes residents. Alex Rubio, a resident of the nearby San Juan Housing complex, was one of the most active graffiti artists of the Westside. While still a teenager, he established himself as a prolific and creative "tagger," as graffiti artists were known. Torres and Hernandez were able to locate Rubio and hired him for their mural project.

In the 1980s, nearly all the Chicano murals of the city

Gonzalez and Bishop Patricio Flores as well as Chicano and Latino musicians. On the barrio walls of Cassiano Homes the muralists painted portrayals of historic events such as the U.S.-Mexican War and the Treaty of Guadalupe Hidalgo in addition to Mexican icons such as cactus and eagles.

In the late 1980s, funding for the Cassiano Homes dried up and Torres and Hernandez closed the com-

munity mural arts headquarters. Two of the artists who participated in the murals project, Vincent Valdez and Alex Rubio, emerged as major Chicano artists. Their mural painting experience helped their development as Chicano artists. Today, they continue making a significant contribution to the Chicano and Latino art movement and both have art works in major museums in San Antonio.

A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period. TCEQ may act on an application to renew a permit for discharge of wastewater without providing an opportunity for a contested case hearing if certain criteria are met.**

AVISO ADICIONAL. El Director Ejecutivo de la TCEQ ha determinado que la solicitud es administrativamente completa y conducirá una revisión técnica de la solicitud. Después de completar la revisión técnica, el Director Ejecutivo puede preparar un borrador del permiso y emitirá una Decisión Preliminar sobre la solicitud. **El aviso de la solicitud y la decisión preliminar serán publicados y enviado a los que están en la lista de correo de las personas a lo largo del condado que desean recibir los avisos y los que están en la lista de correo que desean recibir avisos de esta solicitud. El aviso dará la fecha límite para someter comentarios públicos.**

COMENTARIO PUBLICO / REUNION PUBLICA. Usted puede presentar comentarios públicos o pedir una reunión pública sobre esta solicitud. El propósito de una reunión pública es dar la oportunidad de presentar comentarios o hacer preguntas acerca de la solicitud. La TCEQ realiza una reunión pública si el Director Ejecutivo determina que hay un grado de interés público suficiente en la solicitud o si un legislador local lo pide. Una reunión pública no es una audiencia administrativa de lo contencioso.

OPORTUNIDAD DE UNA AUDIENCIA ADMINISTRATIVA DE LO CONTENCIOSO. Después del plazo para presentar comentarios públicos, el Director Ejecutivo considerará todos los comentarios apropiados y preparará una respuesta a todo los comentarios públicos esenciales, pertinentes, o significativos. **A menos que la solicitud haya sido referida directamente a una audiencia administrativa de lo contencioso, la respuesta a los comentarios y la decisión del Director Ejecutivo sobre la solicitud serán enviados por correo a todos los que presentaron un comentario público y a las personas que están en la lista para recibir avisos sobre esta solicitud. Si se reciben comentarios, el aviso también proveerá instrucciones para pedir una reconsideración de la decisión del Director Ejecutivo y para pedir una audiencia administrativa de lo contencioso.** Una audiencia administrativa de lo contencioso es un procedimiento legal similar a un procedimiento legal civil en un tribunal de distrito del estado.

PARA SOLICITAR UNA AUDIENCIA DE CASO IMPUGNADO, USTED DEBE INCLUIR EN SU SOLICITUD LOS SIGUIENTES DATOS: su nombre, dirección, y número de teléfono; el nombre del solicitante y número del permiso; la ubicación y distancia de su propiedad/actividad con respecto a la instalación; una descripción específica de la forma cómo usted sería afectado adversamente por el sitio de una manera no común al público en general; una lista de todas las cuestiones de hecho en disputa que usted presente durante el período de comentarios; y la declaración “[Yo/nosotros] solicito/solicitamos una audiencia de caso impugnado”. Si presenta la petición para una audiencia de caso impugnado de parte de un grupo o asociación, debe identificar una persona que representa al grupo para recibir correspondencia en el futuro; identificar el nombre y la dirección de un miembro del grupo que sería afectado adversamente por la planta o la actividad propuesta; proveer la información indicada anteriormente con respecto a la ubicación del miembro afectado y su distancia de la planta o actividad propuesta; explicar cómo y porqué el miembro sería afectado; y explicar cómo los intereses que el grupo desea proteger son pertinentes al propósito del grupo.

Después del cierre de todos los períodos de comentarios y de petición que aplican, el Director Ejecutivo enviará la solicitud y cualquier petición para reconsideración o para una audiencia de caso impugnado a los Comisionados de la TCEQ para su consideración durante una reunión programada de la Comisión. La Comisión sólo puede conceder una solicitud de una audiencia de caso impugnado sobre los temas que el solicitante haya presentado en sus comentarios oportunos que no fueron retirados posteriormente. Si se concede una audiencia, el tema de la audiencia estará limitado a cuestiones de hecho en disputa o cuestiones mixtas de hecho y de derecho relacionadas a intereses pertinentes y materiales de calidad del agua que se hayan presentado durante el período de comentarios. Para las solicitudes de renovación que no incluyen una enmienda importante, incluya el siguiente párrafo. Si ciertos criterios se cumplen, la TCEQ puede actuar sobre una solicitud para renovar un permiso sin proveer una oportunidad de una audiencia administrativa de lo contencioso.

LISTA DE CORREO. Si somete comentarios públicos, un pedido para una audiencia administrativa de lo contencioso o una reconsideración de la decisión del Director Ejecutivo, la Oficina del Secretario Principal enviará por correo los avisos públicos en relación con la solicitud. Además, puede pedir que la TCEQ ponga su nombre en una o más de las listas correos siguientes (1) la lista de correo permanente para recibir los avisos de el solicitante indicado por nombre y número del permiso específico y/o (2) la lista de correo de todas las solicitudes en un condado específico. Si desea que se agregue su nombre en una de las listas designe cual lista(s) y envíe por correo su pedido a la Oficina del Secretario Principal de la TCEQ.
